THURSDAY MORNING, APRIL 18, 1839.

To the Voters of the Sixteenth Congressional District.

PELLOW-CITTERES—In obedience to the De-mocratic Convention, recently held at Martin-burg, I am now before you the candidate of the Road to Shepherijstowe, and now occupy the store house on the bill lately occupied by Eaker you, that it is my intention to wait upon you in Tapscott, dec'd, where they are respected by Eaker you, that it is my intention to wait upon you in Tapscott, dec'd, where they are rectiving and due season. In the meantime, I beg leave to de-Spring a fine assortment of clare my political creed, and to express, in the spring and Summer Goods. freest and fullest manner, my views touching the

They invite all who are in search of good bar-gains and cheep goods to give them a call, as they can and will sell CHEAP. Their alock compries every article usualty found in a retail store. effersonian School-was bred in the faith-grev Dry Goods, Queens, Glass and Hardware. Shoes, Boots, Hats, Bonnets, &c. &c. which Lant now called, it go forth in the strength of mose principles, under the Republican ban-ner, which has hereforee triumpakel in this metrical in the property of triet. I appeal for support under that standard, and undermocher; and teall made only the coat is sufficient of the coat is sufficient or the coat is sufficient o Appendix of Grocers & TANKET CHOOLING TARPER & WHITE have received a large s long as one firm and devoted Democrat re-nains, willing to stand by me. And, if the parind general ussortment afterna Seasonable Goods,

y will be united, I promise victory now as in Blue, black, invisible green, & CLOTHS, ishings of Whig editors, especially, to the coneve have union. I see nothing, and I know of

nothing, to divide the party at this momentons crisis. Our bond of union, I should hope, inleed, would be now sealed alresh; now if ever, when the news of triumph upon triumph, from every quarter, is pouring in upon us. Now too, when we see the same old arch enemy is in the field. The same, that was overthrown by Deneed. The same, that was overstrown by De-mocracy in 1800, and in every battle from that day to this, cave one, when hargain and intrinse prevailed. The very same, only railied under a new name, and that with only a few recruits.— Whigism is but Federalism in disguise, and that Fandsome black and white Lawns and gracy. Fellow-Citizens, I might mines words, and avoid this freedom and plainters, but I feel I should be false to my trust, my principles, my party, and to myself, were I to be beating round the point; for let me tell you—the issue, and on-ly issue is, between the two great contending parties that have always divided the country. I am sure, moreover, that all the staunch and true, prefer this open and honest battle-cry, to the disest stratagem of electioneering mountebanks I do not hold my politics a subject of traffic, as some do. I stand forth as a Democrat, because 4 Cotton Sheetings, Tickings, Apron Check, I cannot, and will not support any other than de-mocratic principles; and I insist, that Republi-cans should not expect to have their principles Brown and bleached Domestic in great variety. We invite our friends and the public to call and carried out, unless by men of the full faith -Half-way Democrats stop at the pinch. things called pledges, given by unscrupulous candidates to vote against their own sentiments and principles, if instructed, are worth nothing on the day of trial. When the tug of party-war comes, these pledging gentlemen, are generally sick, or missing, or false. Such devices are used by the practised, artful electioneerer, as tricks to catch the ignorant, the unwary, the wavering; and they HAVING received and opened a supply of Spring Goods, my friends and the public

serve as an excuse for those, who are, at heart, against their party, but ashamed, openly to own , because restrained, perhaps, by a narrow, selish policy.
I make no pledges to the Whigs to draw upon me their votes. I could not carry out their wishes and principles. I leave time-serving to others. THE subscriber is now receiving a large Nor shall I speak about its "being no matter what a man's individual sentiments are, if he is To which he respectfully invites the attention of principles and wishes." It is not to be believed that a representative has no conscience of his ected as a Democrat, dyed in the wool; as a Democrat who can honestly and zealously car-ry out Democratic principles. You may put a horse or an accommodating politician, who be-NEW SPRING GOODS which we are now re-ceiving. J. J. & E: P. MILLER. in the tread mill, for such animals have nothing

THE attention of our customers and the pub-lic is respectfully invited to the STOCK OF to do but go round, and will work if you are al-ways present to watch and crack the whip.

But I have yet to become a convert to the poli-NEEDHAM'S Military and Portable Box cy of selecting Democrats to represent Federal Spurs for sale by cratic Districts, relying on mere words, or ink shed in pledges, that they will faithfully repreknow, at the same time, they cannot do so ho-LARGE supply of light coloured KID SLIPPERS, of every shade, just received or sale by J. J. & E. P. MIELER. We have too many admonishing examples on this head. Nine times out of ten, we ave seen, that when the work of party came to oe done, these pledged gentlemen forgot or disre

A LARGE supply of Bonnets, Ribands, and then aber all is not who will pledge himself, but who is the man, who is already pledged by your principles. I confess, and even my political enemies will idmit, that I am truly of the Democratic Repubgentlemen's wear, among which many articles anticely new may be found. 'We would invite le, going the whole for principle, union and victory, no matter who was in the field, or chosen to bear the party standard; and though proud of

the reflection, that as the chosen candidate of my party, if I am defeated, so is the ciuso. We Passing on then, I point to the crisis, and ap-peal to Republicans to look to it. The cause, the whole cause, in Virginia and throughout the Union, is staked and in danger. The struggle is for power miner qualifications are the form upon the House of Representatives, and the present election, in this single district, for aught we

know, may settle, whether Van Buren or Clay or Federal Whig party shall rule the country. I view, therefore, the election in this district is connected, necessarily, with the great quesion, who shall be the next president, and that as involving all other questions, which have ever

ples. The present parties, I do consider the same, now, in principle, as they have always been, though one has changed its name.

If the Whig party succeed, while it will come. ent assumed cognomen, it will come in with its old Federal principles unchanged. Its new-fapgled doctrines but float at the surface. Without laying any claim to the gift of prophecy, if such a disaster befall our cause, venture to predict a sure and certain fall to this

That party does not admit, and may not be expected to regard in practice, the wise and ne-cessary limitations of power. It is latitudina-rian in its construction of our great chart—our Pederal Constitution. It claims, and implies, powers not conferred by its wise and immortal framers, but denied and withheld, and some of ramers, but denied and withheld, and some of setting tide. The latter gentleman, brought out, hem, expressly, as in their opinion, dangerous to expressly, to meak down our majority, bore aloft the dividing, distracting flag of the then pretendboth fifor sale

LER.

Whatever I may think of the honesty of the
Whigs, I must be so bold as to say, that I am afraid of their principles. If they do not launch
the central government into the vast and fathomless whitpool of consolidation at once, they will,
at least, throw it have the best intuonal moore

ADDRESS OF WM. LUCAS, ESQ. age, and crush the surrounding State governments, under the faithful administration of which, at least, we must look for the blessings of civil liberty,—as we must look to the pational gainst all danger and aggression from abroad, while its chief office, in times of peace and pros-

ow be betrayed, desert or forsake his colors, and | boasting, for I despise egotism, but or party. If honest, principle and patriotism, alike, forbid. Those who are too firm to flinch, should watch to see who stands fast, and who is drawn into the political death-embrace of a party, with which he holds no principle in common, no affinity and no sympathy. Will not all the honest disdain to affiliate? to use the lanall the honest disdain to uffiliate? to use the language of the day. All know we have the warength in this District, and that when ach was reviewed in this District, and that when ach was reviewed in this District, and that we are in a political life and death struggle, and that every true Republican is expected at his post to do his duty; and that if any who bear, that honorable and were able name, shall be found fighting in the ranks of the opposition, his treason will be discovered; and if any stay from the polls, his disaffection.

will be suspected.
The poisonous distillations of Bankism—the senseless cry of danger to the much abused cre-dit system, the clamorous cry of patronage abus-ed, and official corruption, cannot change the principles of '98, and the Democratic faith. As long as Republicans are true to their principles, they will be true to themselves. Then institutions, established by the sages and natriots ed, or subverted, will be preserved in their purity, descend unimpaired, and the Republican ban-ner continue to wave triumphant:--

Then let time flow on in the cbb or the flood. May we stand by the faith where our fathers have stood.

The united opposition, seeing us, in some degree. divided between the State bank deposite system, as a mode of keeping and disbursing the public monies, and the independent constitutional Treasury, are seeking, by every species of stratagem, to widen the dull rence, that they may glide into power, through this unfortunate breach. But I a better opinion of our dissentient brethren, tomac are very encouraging. than to believe they can or will be so easily so duced, either to desert their principles and party altogether, or even to hang back, to transfer the victory to the Whigs, knowing as they do, how their opponents would, if victorious, use their what a man's individual sentiments are, it je is there opponents would, it victorious, use their power; knowing too, as they do, the momentous principles and wishes. This not to be believed consequences of such an acquisition by their enthat a representative has no conscience of his own, and no constitution of principles of his own, and no constitution of the principles of his own, and no constitution of the principles of his own, and no constitution of the principles of his own, and no constitution of the principles of his own, and no constitution of the principles of his own, and no constitution of the principles of his own, and no constitution of the principles of his own, and no constitution of the principles of his own, and no constitution of the principles are the provinciples and will pledge himself to carry out our power; knowing too, as they do, the momentous consequences of such an acquisition by their entire opponents would be a power; knowing too, as they do, the momentous consequences of such an acquisition by their entire opponents would be a power; knowing too, as they do, the momentous consequences of such as a consequence of his own, and no constitution of the principles are the power; knowing too a consequence of his own acquisition by their entire opponents would be a consequence of the power; knowing too acquisition by their entire opponents would be a consequence of the power of the principles of his own, and the principles of the principles of his own, and the principles of the principles of his own acquisition of the principles of his own acquisition by their entire opponents would be a consequence of the principles of his own acquisition by their entire opponents which is a consequence of his own acquisition by the principles of his own acquisition of the principles are the principles of his own acquisition of the principles of his own acquisition of the principles are the principles of his own acquisition of the principles are the principles are the principles are the principles are the tional opinions of his own. I am not made of sheh stuff, and I thank God I am not. I could between the two creat contending parties, is not not think of taking a seat in Congress and swear-ing to support the Constitution, after I had been tion of the next Presidency involves that most opening a large and beautiful stock of pledged to do the will of Federalism. Now, he who is not for us in this grand issue, is principles, by union, and indefatigable persever-

While I am satisfied myself of the expediency and constitutionality of the Independent Treasury system, I yet look upon its success as nothing compared to the great question, whether the Conservative or Whig party shall prevail in the pending struggle.

pending struggle.

Though I believe it important to establish that measure upon its own merits, and am firmly persuaded it is at present the strong ground in the South upon which to rally the Southern Democracy in support of its own principles, now ture of Wisconsin have fixed the legal happily sustained "by a Northern man with Southern principles," as President, so peculiarly fortunate in these days of abolitionsm,—that dreadful danger to Southern Institutions, because t appeals so directly to Southern interest and paaid in sinking that (to me) favorite measure, than push it too far, and drive really honest Republicans from us. I am, however, frank to admit, that I am truly of the Democratic Republicans are income us. I am, however, frank ican party, and one who never lost the faith—say, I do not see how those Republicans, who one who never apostatised. And k will add, I poss the acconsistional Franciscry upon the geometric Republicans, who is never sought office, and am in my present, position without my own solicitation. That I magery established, then the work of the whigs to bring them into power, when the work of the whigs to bring them into power, when the work of the whigs to bring them into power, when the work of the whigs to bring them into power, when the work of the whigs to bring them into power, when the work of the whigs to bring them into power, when the work of the whigs to bring them into power, when the work of the whigs to bring them into power, when the work of the whigs to bring them into power, when the work of the whole for principle union and wice. say, I do hot see how those Republicans, who opstitutionality). can conscientiously name with the Whigs to bring them into power, when they, resust be satisfied, that if the Whigs should be successful, they would establish another United the commission confided to me now, and grateful for the honor, I feet prouder still to know, I treasury men, hold such measures as unconstihave no sacrifice of principle to make. Personally, I care little for defeat-or victory. I can
little for the sacrifice of principle to make. Personally, I care little for defeat-or victory. I can
little for the sacrifice of principle to make. Personhave no sacrifice of principle to make. Personlittle for the sacrification of the sacrifica who know me best, that relf is but a secondary stand quietly by, and see Whiggery steal into

trality" too far. In supporting the sub-treasury ent. I went for the divorce principle and against the State bank deposite system, in 1834. The explosion of that deposite system afterwards, ful-ly strengthened my convictions. In going for it now, therefore, my honesty should be above susprices and openion of constant are known to some by my friends, and prove, that i predicted the struggle between the government and the U. States bank, then just ending, and fortunately in the glorious prostration of the latter, would after the adoption of the State bank system, be soon renewed, in a different form between the government and the State banks, and that the contest would, ultimately, be dangerous to the harmony and union of the Democratic party. Still, I gave up my individual opinion, and acquiesced in the Republican Administration of my choice. In no contest, in my county or district, since old enough to take a part, have I ever been an inactive men

ber of my party. My dissent, upon the question just named, did not alienate me in the slightestnot for a moment.

The idea of deserting and going over to the Federal Whig, National Bank, Taciff and Interrederal Whig, National Bank, Tartif and Inter-nal Improvement party, never entered my head. The insinuation, I should have regarded and re-scuted, as insulting. In the trying struggle, in this District, between E. L., jr., and the talented, able, and eloquent J. R. C., in the dark hour of my party's ploom. I had the firmness and the hardthood, though humble, in my own estima-tion, when compared to the odds against me, the meet the Goliah of their party, and roll back the setting tide. The latter gentleman, brought out.

ed to be honored, and now betrayed, neglected, and pitted Hugh L. White. In that conflict, were eloquently rung, all the catch-notes of the party slang of the day—the cry of the "union of the million vote, &c. &c. Yet, I dared, against such principles prostrated with our power. Such, in my opinion, being the true issue, and the election in this district having such a bearing on it. I trust, has not been forgonen by that party, in whose just cause I did battle, in a time-of needy that all "transient differences" will be yielded and forgotten in this contest. It is not a time. E. L. ir., declined, be run as a candidate, I, with the Republican party, to be indulging in family dissensions, involving no great principles, and our little by many of my good whig friends, and little by many of my good whig friends, and longited by many of my good whig friends, and longited by many of my good whig friends, and little by many of my good whig friends, and little by many of my good whig friends, and little by many of my good whig friends, and little in the party, in whose just cause I did battle, in a time-of needy and upon which a my now thrown for support by that all "trust, has not been forgonen by that party, in whose just cause I did battle, in a time-of needy not all trust, has not been forgonen by that party, in my open my of my good whig friends, and it trust, has not been forgonen by that party, in my open my of my good whigh friends, and it trust, has not been forgonen by that party, in my open my of my good which it is a time-of needy and upon which a my now thrown for support by that all "trust all "trust, has not been forgonen by that party, has not been forgonen by the party has not been due to my party's cause, that my past course it is due to my party's cause, that my past course should be fully known, and my principles and firmness seem to deserve to stand above suspicion, in the eye of those, to whose support, I
