PRESIDENTIAL ELECTIONS. Mr. Epiron :- There have been, since he organization of our Government, Thirteen Presidential Elections. The following is a correct statement of the number of votes received by each principal candidate, for President and Vice President, found on examination to have been compiled from good authority, it may perhaps be worthy of a place in your columns.

FIRST ELECTION, 1788.-No. of Electors 69. George Washington received 60 1829, John H. Baten, of Tennessee, votes; John Adams 34, and John Jay 9. Washington was elected President, and 1837, Joel R. Poinsett, S. C. John Adams, Vice President.

Lors 135. ,George Washington received

132 votes ; John Adams 77, and George Clinton 50. Washington and Adams were both re-elected. Turn Election, 1796 .- No. of Elec-1518D. ELECTION, 1790.—No. of Lied-tons 179: John Adams received Tradition of the William House, of Pennsylvania, Thomas Jufferon 60: Thomas Pinckney [1811, Benj. W. Crowinshild, of Mass. Thomas Jufferson 69; Thomas Pinckney

Fourth Election, 1800.—No. of Electors 138. Thomas Jefferson and 1831 Mahlon Dickerson, of N. Jersey. Aaron Burr received each 73 votes : John Adams 65, and Charles C. Pinckney 61. As there was no choice of President in L771, Functive Pickering, of Penn. the college of electors, the election devolved on the House of Representatives, and after ballotting 36 times, Jefferson way elected by a majority of one State .- 1823, John McLenn, of Ohio. Burr was elected Vice President.

FIFTH ELECTION, 1804.-No. of Electors 176. The present plan of voting chief justices of the sygneme gount separately for President and Vice Presi-

Jefferson and Clinton were elected. SIXTH ELECTION, 1808.-No. of Elec tors 176. James Manison received 122 votes for President, and Charles C. Pinck. pry 17. George, Clinton received 113

Electors 217. James Madison received 131 votes for Vice President, and Jared Ingersoli 66. Madison and Gerry were

EIGHTH ELECTION, 1816,-No. of power is every where and whose goodin 1811 he opposed the renewal of the blate is a votes for President, and Rulus King

A baker in Philadelphia, pamed Lath,

the was an ardent supporter of the late.

To 1811 he was sent to Ghent as votes for Vice President, and John E. Philadelphia Enquirer better that the leaves should be

have found in him an unverying friend. tors 261. Andrew Jackson received 49 Hement of the much vexed Missouric Wm. H. Crawford 41, and Henry Clay

House of Representatives:-that high the votes of 13 States out of 23 was electand difficult station he filled with great ed President. John C. Calhoun received ability and success. Such are some of 182 electoral votes for Vice President; the prominent points and characteristics N. Sanford 30, and Nathaniel Macon of his career. His later history has trans. 21. Calhoun was elected Vice President. pired within the memory, and before the ALEXENTH ELECTION, 1828.-No. of eye, of the reader. His industry is untir- Mectors 201: Andrew Jackson received ling; his spirit has never flagged nor 171 votes for President, and John Q.

ker 7. Jackson and Van Buren were

THREENTH ELECTION, 1836 - No of Electors 291, (including those of Michigan.) Martin Van Buren received 170 votes for President; Wm. II. Harrisen 73; Hugh L. White 26, Daniel Webster 14, and Willie P. Mangum 11. Richard M. Johnson received 147 votes for Vice President; Francis Granger 77; John Tyler 47, and Wm. Smith 23. As neither of the candidates for Vice President received a majority of the electoral votes and as Richard M. Johnson and Francis Granger received more votes than any one of these caudidates Vice President. In the Senate Richard M. Johnson rechived 33 votes, and Francis Ganger 16.

-I also subjoin a list of the principal Officers of the General Government, from its commencement under the constitution uptil the present time, as one likely to be

an Buren and Johnson were elected.

1789, Thomas Jefferson, of Virginia. 1791; Edmund Randol, h, of Virginia.

1809, Robert Smith, of Maryland. 1811, James Monroe, of Virginia.

1817, John Quincy Adams, of Mass. 1825, Henry Clay, of Kentucky. 1831, Edward Lixingston, of Louisiana

1833, Louis McLane, of Delaware. 1835, John Forsyth, of Georgia. PECRETARIES OF THE TREASURY. 1789. Alexander Hamilton, of New York,

1795, Samuel Dexter, of Massachusetts. 1801. Oliver Wolcott of Countelicut 1802, Albert Gellatin, of Pennsylvania. It is stated that, if Mr. Rives should be 1814. George W. Campbell, of Fennessec.

1829, Samuel D. Ingham, of Penn.

be "impracticable" Whigs .- Alex. Gaz. 1831, Levi Woodbury, of N. Hampshire. BECRETARIES AT WAR. 1789, Henry Knox, of Massachusetts. 1795, Timothy Pickering, of Penn.

1796, James McHenry, of Maryland. 1800, Samuel Dexter, of Massachusetts. 1801, Roger Griswold, of Connecticut. 1501, Henry Dearborn, of Massachusetta 1809, William Eustis, of Massachusetts.

1813, John Armstrong, of New York. 1815, William H. Crawford, of Georgia at each of said elections; and as it will be 1917, Ivane Shelby of Kentucky, (did not then feet wide, and nearly sixty feet high,

accept the appointment.)
1817, John C. Calhoun; of S. C. 1825, James Barbour, of Virginia.

15:28, Peter B. Porter, of New York. 1831, Lewis Cass, of Ohio.

1113 George Cabol, of Marshchusells 1798, Benjamin Stoddard, of Maryland. 1802, Robert Smith, of Maryland.

A solwert, which was found to contain a grand military parade and procession has quantity of U. States Bank notes (said by been decided upon—citizens on horserumor to be \$25,000.) In the pocket , book was found the name of _____Smith, corner of Cheenut and Sixth arcets, Philadelphia. The pocket book was left with the police, subject to the call of the owner.-Balt. Chronicle.

THE MASONIC PROCESSION notwithprevailed during the forenoon of Monday the 21th, attracted a considerable number of visiters to our town, of members of the order, and citizens of several of the neigh and was joined by the Lodge of Odd Fellows of Hagerstown, passed through our streets to the Lutheran Church, and lis tened to an elegant address suitable to the occasion, from the Rev. Mr. Jackson of Winchester. If the weather had been more propitious, the numbers would have Ball. Caronicle. no doubt been greatly augmented. The and our citizens were much gratified by the music of the bands in attendance.

[Williamsport Banner. PROLIFIC VEGETATION .- Six stalks of OATS were left at our office last week, b John V. Swearingen, Esq., grown on his farm, in the neighborhood of Williamsport ; each stalk measured six feet three inches, and the heads very large and full. [Williampers Banner.

BENJAMIN EGGLESTON, charged with Urlah B Kerney being one of the party who were con-cerned in the bloody affray which teok place last winter in Baltimore, was tried before the City Court on Thursday last and acquitted.

RTH OF JUL

Marie to the second second second second

ARRANGEMENTS OF THE DAY. The following arrangements have been made for celebrating in Charlestown The Fourth of July, THIS DAY, (Thursday,) the 63d Anniversary of American Independence :

The Charlestown Artillery, under Capt. Reed, will parade at 10 o'clock. At half past 10 o'clock, the Military, the Clergy, the Orator and Reader, the Comi of Independence will be read by a gentleman selected for the purpose, and an Oration delivered by Charles B. Harding, Esq. . The whole to conclude with a Benediction by the

Rev. T. W. Simpson. After the exercises at the Church, a process sion, composed of the Military and others who muy be disposed to unite, will be formed in of the Day; when the procession will march to a grove, a short distance east of town, to partake of a Dinner prepared for the occasion by Capt. Meriwether Thompson.

When the exercises at the table shall have been proport to cluse, the procession will be agree formed, marched to town, and dismissed. The committee respectfully invite the Ludies Cash paid weekly depositors 2 320 00 of Charlestown to attend at the Church, and thus partially participate in the exercises of the Cash paid Treasurer's salary Day.

The committee also respectfully sequest the a series and december that the merchants of close men stores from 10 mil 3 o' cash in the ressueer manus, we say clock, and that all mechanical business be sus pended within the same hours. The Committee also invite all Soldiers of th

Revolution to partake of the celebration of this committee of arrangements July 4, 1839.

THE MARKETS.

BALTIMORE MARKET, For the week ending Friday evening, June 28.

CATTLE.—All that reached the market in first hands have been taken by the But about \$9 per 100 lbs. We quote live Hogs at

\$9 a \$9,25 per 100 lbs.

FLOUR—The price generally asked from stores this morning is \$5,571, the tarme as at the close of the last week, but the article is extremely dull at that price. In the early part of the week some small sales were made of choice be \$5.81. Yesterday and to-day some hold submitted to a further reduction, and we not

•RYE FLOUR .- Ist is dull at \$5-no sales. The inspections of the week, ending on Thursday evening, comprise 5946 bbls. and 90 half bbls.; besides 47 bbls. Rye Flour, and 150 bbls.

WHEAT.—The supplies at market this week have been quite small. In the early part of the week the fair quotation for fair to good reds was \$1,10 to \$1,15. To-day a sale of good red was made at \$1,16, and a parcel of good white way was conferred on Mesers. John J. Mitch- tracts for new wheat have as yet been made in ell, of Pittsburg; Charles S. Spence, of this quarter, and it is doubtful at what prices the market for the new crop will open.
CORN.-White 75 a 77 cts. per bushel. Sales.

of yellow in the early part of the week at 76 a 78 cents; sales to-day at 77 cents. Sales of Vir-

of the Albany, Argus, and went to the Pennsylvania deans, Cottonades town of _____ to enlighten the citizens
by the corruscations of my intellect, upon
the subject of democracy. I had, as you will suppose, formed the most extransgatt ideas, of the imparience eatisfied with myself as when I registered British Prints, nowest patterns and very hand tor of the Hardscrabble Republican Ban-

ries of the Hardscrabble Republican .- New Bonnets and Bonnet Trimmings,
For a time things went on swimmingly. Ladies' superior Kid, Prunella, and Morocc not doubting that they would come for Table and fish Linen,

Wild appropriate Table 1997. They have the many the property of t ver dismay, not one of his passage to she betted he

I owed the tailor twice as much as her owed me -the shoe maker brought ma in his dobt—the barber poked his bill for a WSA-He Lindment, shaving in my face—the blacksmith had Hill Haves Rheumatic Lindment, mended the frisket of my confounded old Ramage-the tinner had a charge for eoddering a roller mould-the gracer for give and molasses -- and, in fine, I discovered that collections left me about a hundred dollars in debt.

"Nothing now remained but an appeal to my country subscribers. This I made, and, fortunately, most of them ready to pay-but in such "currency" as would stonish eyen these latter days. Shin rizeters are poshing to it. One said he had agreed do pay in wood, and added, pointing to the woods, 'there it is, help' yourself." Another promised me a load of pumpkins the next week. One offered me a pig for a year's subscription; and, as I was a "whole heg" editor. I closed with the offer immediately. There were would besure to pine away and die. 1 suggested that he should let me have them both, and I would give him credit for a year's subscription in advance. This ha refused, but proposed that I should take

had five miles to walk, and before I reached half way, the bag became untied-out slipped the little piggling, in that endcocked up its tail and ran for dear life I dropped the bag and started in chase .-Over the fences, through bush and bular, hedge and ditch, we had it-side and side, as Major Downing save, only the pig a little ahead. At last, I gave up in despair, and sat down on a log to ruminate upon the dignity of the press, and the ingratitude of pige and democrate."

Original and True .- Mr. Frank A parts and infinite humor, used; with much pleasantry, to relate the following anec doto as having occurred to him when he was a young man. A young lady in the neighbourhood had won bis affections, and he hadcommenced paying his addressor. During the courtship he sometimes support with the lady's, lamily, when he was always regaled with the homely dish of mush and milk, and being of a serious turn, was generally invited to pay grace over the meal. The supper Franky did not take amiss, as the family of his fair one was in but moderate circumstancos, and being himself poor, he admired and the public generally, that he is now receivsuch domestic economy; besides, he was estished, provided he could obtain the affections of his Dulcinea, "The course of true love 'as it is said, 'never did true, Geoccies, Tin, Hardware, China, Glass empetitional distribution of the Comment o One evening when he was visiting his than, and various other prices, charmer, after the heard had been spread Whish, having been purchased in Philadelphia with the frugal meal of much and mitk, and flattimere principally for cash, he believes, and that the ply any who may favor him, with their custom, arthographic someone spied Franky's rival lower than they can be purchased eliminated in Proceed and plain Babmette, lower than they can be purchased eliminated in Lader, Edgings, losertions and Fully up. Immediately "a change came this county and the mahin to call and examine his lower than the superiority and prices, but the subject of the same of th and naight femained to tell the talk but 1,005. W a short time, however, the table was again fornished, not as before, but with the suitable appendage for making tea and warm brend, such as hastly taked common parlance, called "short When all was ready, as was the custom, brother A ______ invited to other colored other colored _______ OLOTH say grace, who with due solomnity, hands | Blue, black, and fancy colored Cassimeres, inded and eyes closed, pronounced the following impromptu benediction:

Lord be praised, . How I'm amazed see how things are mended; Here a short cake and the

Where much and milk were intended." It is almost unnecessary to add, that after this grace, Franky never returned to Titoal Laces and Edgings, win his lady love, but left her to the undisputed possession of his more fortunate rival .- Ex. Poper.

and let their own judgment prove my assertions Winchester, Sept. 26, 1837.

I have how one of Fitzpatrick's machines for ubbing and elegating wheat, and find it answers my most sanguine expectations. The construcpropel it, and, being made cutirely of iron (wrought and east.) will require but little if any repairs for several years. Wheat rubbed with his machine, so much improves the color and quality, the whole product ought to be best su-parline. In short, I believe the advantages so great from the use of it, that'l would recom

o every milling establishment where floor is manufactured, they carneally recommend it to Haltimore, Oct. 5th. 1857.

I have often used it for horses' sore backs with the attention of millers generally.

Signed. ABILIH LANNEY.

> From the Plane Investor of Georgetown, D. C. Thave seen one of Pitzpatrick's Patent Smut Machines for cleaning and rubbing wheat, in operation; and I can say I believe it far superior in any muchine I have ever seen used for that

and other impurities, we have lead it set up in our mill; in a situation to receive the wheat after passing through nearly all the rubbers, sereous and fans, heretofore employed to prepare it for the operation of being converted into flour. Its effect upon the wheat, after so much cleaning, surprised us, and we doubt not that to mills not so well supplied with machinery, it would be invaluable. Had we known of these Machines when we were re-building our mills, we would have adopted them in preference to our wheat, one of the largest size requires to drive suiteted with piles. Having myself been a sufferer, it, the power of not more than two or three of

Harpers-Ferry, Jane 20, 1839. PETERS' PIELS. THE immense and increasing popularity of these Pills, is another proof of the infallibility of the old adags, that "touth is powerful

but Dr. Proceed until the designed for them has be come slavest universel.

Dr. Priors would impress this fact upon the public, that his Pills are not a quack medicine, but a scientime companied of staples, which has been the result of many parse intense spokes, tion to a profession in which he was regularly faculty as with the people at large.

One of the many peculiar, visues of the Vegetable Pills is, that white very powerful in their affects they are particularly mild and gentle in their action. Unlike the generality of medicines, their application is never attended with

cines, their application is never attended with Peters' Vegetable Pills are now regarded by

those who have had an opportunity to decide upon their merits, as an luestimable public bless-Without an exception, in age or country, no medicine has spread with such rapidity, and gimedicine has spread with such rapidity, and given such universal satisfaction.
Prepared by Jos. Pricetly Peters, M. D., No. 129, Liberty Street, New York. Each box contains 40 Pills. Price 50 cents.

A Catalogue of Reasons

Dr. Peters' Celebrated Vegetable Pills. lat. Because they are exceedingly popular, which proves them to be exceedingly good.

2d. Because they are composed of simples which have the power to do good in an immense number of cases, without possessing the means to injure in any.

3d. Because they are not a quack medicine, but the scientific compound of a regular physi-ician, who has made this profession the study of his life.

4th. Because they are not uppleasant to take, nor distressing to retain, while they are most effective to operate.

- 5th. Because they are recommended as a standard medicine by the regular faculty. 6. Pecause by keeping the system in a natu-

ral state of setton, they cure almost every dis-ease which the human frame is liable to. 7th. Because they are cheap and portable. ON THE RAILTROAD.

and will retain all their virtues in run vigor, any climate, and for any length of time.

Sth. Because, not with standing their simplicity and middens, they are one of the speediest pural part of the speedie 9th. Because they are an unfailing remedy for procuring a good appetite. 10th: Because in cases of splean or despon-

dency, by their healthy influence on the excited state of the body, they have a most happy ef-FACTORY.
