Figure & Co.—Gent etten: lilingly comply with your request to furnish a strength of the case in which your Dragarrid orbits, was used with so much advantage. It is firing for a veral months under a train of symposis, such as usually denote the worst form of Dyapain, viz: defective appetite, impaired digestioning or, debility, &c. These as months were at agric followed by great deprecision of spirite, deign. White in this situation, a friend passing h Baltimore, who had resided in your State. ough Ballimore, who had resulted in your State, was familiar with its effects, advised the use of title of "Des Dreshbach, Kuha & Proor's Dystite Cordial," the use of which, in a few days, e great relief, and finally cured her.

PHILEMON TOWSON,

By Judge Rillenger. aving laboured for a length of time under de-ement of the liver, accompanied with pain and news in the side, headache and constitution of f nowels, I was induced to take one battle of the shaelt, Kuhn and Pryor's Dyspeptic Cordial, the afforded me output city of BENJ. PITTENGER.

Formerly of Frederick co., Md, Tiffin, Ohlo, Feb. 18th, 1838. My wife, after having been afflicted with Dyapepa and Sick Headache for a length of time, was ingest to use Drs. Dresbach, Kuhn and Pryora by speptic Cordial, with entire relief of all the emptoons of the disease. I have used it with some leterelief in several fits of Choffe also.

JOSEPH HIGGS. Mexico, Crawford co., Ohio, Feb. 21, 1839.

had been ufflicted with a Chronic affecin the side, shoulders, extending serosa of the neck into the head, pain in the stewith oppression, bad appetite and debility.at this stage of disease, I commenced Dra. Dresssels, Kuho and Pryor's Dyspeptic Cordist. In the
se of two bottles she was restored to better heshta
has for several years, and could again attend to the
rdinary duties of the family. I have used it in the
amily in Cholers Morbus, Disribers, and Cholic
rith prompt relief. THOS. R. ELLIS, at
Scaces co., Ohio, Dec. 19th, 1858.

For the last 20 years I have been subject to free unit and severe attacks of sirk or nersous Hondalon. These attacks were aftern as a stolent, as to aft me for fusiness mid confine me to both. During this long period of frailfring, I have never men in the long period of frailfring, I have never men in the remedy which would afford me more than initial relief until I commenced the use of Drs. Dreshack, Kuhn and Pryor's Dyspeptic Cordialland a violent attack a few days ago, and having mill quantities of this remedy, I now determined o give it a fair trial. I took three does, half in our apprix, one tables spoonful ease, and in the our apart, one table spoonful each, and in the ourse of a short time was so much relieved as to be, ble to go about my usual business.

Some its post striking In the front were most of the female negroes. her are their opinions nor their stuffes with flowers, land and precise burning incens enbject'to very severe maternal scruting': silver censers. All the population which crowd-I have upon several occasions, heard a ed the streets was uncovered as the procession young lady openly maintain Unitarian passed. On Holy Thursday it is the custom to visit seven different churches in the morning; goroom, and discuss some of the doctrines ing through the (as here called) Seven Estaciones. My zeal flagged after entering three o four. A servant follows each lady, barrying a Notwithstanding the numerous excepshe kneels a few minutes at the entrance of the certain the cause of this strange tenacity nerally applicable; and I doubt not that church, in front of the principal altar, and after the inference drawn from them by an attering, indistinctly, a few short prayers, you so educated must be lax in her moral and go in procession, with muffled music, to perform religious principles. Such an inference the seven estaciones, fisiting the seven different elegance their walking costumes can display; their small satin shoes, without strings or fastenby the incalculable power of custom and ings, exposing nearly all their diminutive feet, public opinion; but it would be altoze- encased in glossy white silk stockings, on all de-CINQUES and the other Africans taken on standard of female virtue is at least as throughout Lina were beautifully illuminated high as in any country in Europe. On in the evening. At the Church of St. Domingo, the other hand, if it be inferred from these "the holy of holies," which possesses a relic of observations, that I prefer the system pursued in America to that observed in Last Supper-Jesus Christ with the twelve Apos-Britain, the inference will be also incorrect; for although exercised within the startling. The figures, the size of life, appeared ed with the vital spark, though carved in dence of manner and opinion to which wood. The expressive face of Judas Iscarfot struck me as a chef d'œuvre. It was all executed by the Indians, whose talent is unparalleled in carving out of wood, a specimen of which was sent to the Emperor Alexander, of Russia, hood and fraud. There is not a promise that "coy submission" and "sweet reluction by Abadia—carted images of the eighteen berial lillet. At this representation of the Last Supper, every detail was complete, even to the spilling of the salt. The dishes were all fictitious, so well done that the instinct of hunger might have seized on them to appears its cravings .-Congress to office, it has appointed more either in the drawing toom, or in the The churches were crowded; many of which we Congress to office, it has appointed more members than all the preceding administrations put together. Pledged to withdraw Executive influence from popular elections, it has converted every local as rights which are in England received for well as national election throughout the tween the people and the Executive. It is not not not a direct trial of strength between the people and the Executive. It is not not not it must be owned that there is something charming, and even the great franciscal distance with the most select trial which are in England received for the kindred. This feeling would force itself the most select trial which are in England received for the kindred. This feeling would force itself the most select trial which are in England received for the most of the ment. It is surprising that a little modicount of sense should not be exercised in and public robbers. Eledged to give us these matters. If a young man is not a better, corrency, it has involved the paids of sustaining a wife, unless she country in a series of the most ruinous bring a fortune, he is unfit to have one to experiments, which have based based based based based by the designed of a young lady cannot repose with to destroy the only currency of commerce more confidence upon the substantial and civilization, and reduce us to the extends of a young man's good heart and clusive use of the currency of despectation. clusive use of the currency of despotism. would, doubtless, be met with deserved Rosary, which exceeds in magnificence any other in Lima. It is entirely encased with pure silver

with elegantly fluted columns, highly finished she has fittle window and less sentiment, and ought not to leave her parental protection.

An aristocracy founded upon wealth, is the most contemptible that can be considered. The most sensual, the most important and the revenue of the protest, that the most important and the revenue of the protest, that quiet and substances which is described and abused the People. Its economic with example the columns, highly finished the three contempts the contempt to the democracy is absolution.

The democracy is absolution:

But the catalogie is not yet complete, which so prepare its of its grosser aspect and throws around familiar grosser aspect and throws around familiar and the sense of the coming window at the back of the Altar. Astrologer, distanced the first heat by the mistake or carelessness of his rider,—ran the second by consent and came up well—being this. At the start in the second heat, Chotank sulked, and his groom could not get him off directly at the word; thus he lost some little, which only added the more to his credit in gaining the heat, though pressed closely by Polly Mors and Astrologer.

The separation had taken place, and sales have been made at \$5.75, which we quote as the current rate to-day. Some holders are asking, however, \$5.874. The recipion of this second heat, Chotank sulked, and the separation had a previous living wife—but before these proofs were effectively obtained.—

Upon this account the marriage was kept private. Mrs. Gaines was born of this marriage, and named Myra. Disagree of the second at \$1.10 at \$1.15 at \$1.17. Private. Mrs. Gaines was born of this marriage, and named Myra. Disagree of the second at \$1.15 at \$1.17. Private. Mrs. Gaines was born of this marriage, and named Myra. Disagree of the second to test the second at \$1.10 at \$1.15 at \$1.17. Private. Mrs. Gaines was born of this marriage, and named Myra. Disagree of the second to the supplies which have to come to market for a couple of days past have mostly been of middle to the marriage rating taken place.

ADVICE TO HOUSEWIVES .- Those who make candles will find it a great improve-ment to steep the wicks in lime water and sallpetre, and dry them. The flame will be clear and the tallow will not "'ran."

Britannia ware should be first rubbed gently with a woollen cloth and sweet oil; en emshed in warm suds and rubber treated, it will retain its beauty to the

New iron should be very gradually healed at first; after it has become inured to the heat it is not likely to crack. It is a good plan to put new earthen ware into cold water, and let it heat gradually until it boils, then cool again .-

Brown earthen ware, particularly, may be Brown earthen ware, particularly, may be toughened in this way. A handful of go to the Eastern Markets about the 14th of series there bran thrown in while it is of sentember, to make his ball purchases, and the sentember of make his ball purchases, and it will not be destroyed by acid or salt. Clean a brass kettle before using it fur

under them grinds out the threads. If you wish to preserve fine teeth, always clean them thoroughly after you have catefy your last meal at night. Woollens should be washed in very het

suds, and not rinsed. Luke warm water shrinks them. Do not wrap knives and forks in woolens. Wrap them in good strong paper. Steel is injured by lying in woollens.

Suet keeps good all the year round, if large supply of Bacon, Flour, Pork, and all those chopped and packed in a stone jur, cover- heavy articles of Produce, fit for family use. i with molasses. Barley straw is the best for beds; decorn busks alit into threds are better than

it, we were induced, from a curionly merely, to make trial of its reputed virtues upon a number of our most hopeless patients, and we now drem it our bounden duty (wen at the superissoftour self-interest) publicly to asknowledgestigationer; in curing out only consumption, but other tenful maladre, which we have herestofore beliaved to be liteurable. Our contempt for the discovery of this medicine was at once awallowed up in our atter astonishment at these unexpected results; and, as amends for our abuse of him, we do frankly confess to the world, that we believe him a philanthrepist, who does honor to the profession and to our counwho does honor to the profession and to our coun-

The recent adoption of this medicine into some of our European hospitals is a sufficient guaranty that it performs all its promises. It needed not our testimony, for wherever it is used, it is its own best witness, try which gave him birth. HERMAN ETMULLER, M. D. WALTER VAN GAULT, M. D. ADOLPHUS WERNER, M. D.

It appears by the following information given to the public by Dr. Rowland, that the much talked of Matchless-Sanative is indeed what it professes to be —an effectual and valuable medicine, worthy the berious attention of every squeumptive person, and

the oick generally. MATCHLESS SANATIFE -David S. Row land, the General American Agent for this mighty medicine, (invented by the immortal Goelicke of Germany.) has great pleasure in publishing the folnowing highly important letter foom a respectable gentleman in New York, which he has resured, with many others of a similar character—also very interesting intelligence from saveral of his Agents, as will be seen below—which, together with the fortificate from three eminent German physicians, must forever establish the character of the banative as being without a marallal in the history of modification. lowing highly ter se being without a parallel-in the history of medi-

Tretimony No.

Months of the serged, white lange was replaced and to human means could save ber \$150, the Sanattee, being recommended by the physicians who had used it in their practice, at oncluded to give it a trial. I sent and purchased a lay, giving a free indulgence to her appatite seserving to directions. My presenting this comes, sing suffered consolvently for the first eight or ten days, but was shortly able to est and drink freely. Within four weeks from her first using the modicine, her feeble health and wasted form began to cine, her receive health and waste term own to just on new attempted; and she has been gaining from they to day until the present moment, to the utter astonishment of our family physician and friends. She is now enjoying a comfortable (though not per-fect) state of health, is able to be about the house

With the second them, smean are all the know her remarkable, seed that the owes her life to the Sanstire slove; self-at there are probably many consumptive persons the United States, who have any extraord of the medicine, measures ought speedily to be adopted to have it more graceally known.

A shallower of nersons in measures are all the medicines are also be adopted to have it more graceally known.

have it more generally known.

A introduce of necessary in our neighborhood. I understand, are taking it for other scrious completels, with very great benefit.

I think of going to the Sauth, with my family, sometime this fall, and in case I do, I will proclaim the virtues of the Sapative in that quarters for although some of the Physicians here are actively up possed to it, I do sheepedly believe it saved by wife from an opening grave.

If you think this letter will serve the public good, you are at liberty to publish it. ou are at liberty to publish it.
Respectfully, &c. H. F. SHERWOOD.

TESTIMONY, No. 2. [From the Brunsprick Advertiser] "One personal our village, who was considered by his physician to be he a Consumption, has taken the benefits and famous seed, therefore new discounters and famous seed, therefore new discounters and famous seed, therefore new discounters of this medicate. There can be not question but this medicine has performed wenderful sures in a least of cases, and that it is worthy of ge-

TESTIMONY No. THE MATCHETS SANATIVE .-- By an article in our paper to-day, it will be seen that this medicine has lost none of its whitee by arossing the Atlantic-for its appears to be working similar cures in America to those which have astonished Europe.
