CHARLESTOWN: Thursday Morning, August 20.

ELECTIONS.

VICTORY! VICTORY NORTH CAROLINA. This State will fulfil our highest expectation

which will be increased to more than 18,000 by adopted recommending Gen. II. to the President well done for Old Kentucky.

INDIANA. We have returns from 75 counties, which give the Whig candidate for Governor a majority of 9,923-15 counties to be heard from, whi will swell the Whig majority beyond 10,000! LANE (Whig) has been elected to Congress in place of Howard (V. B) by more than 1000 majority. All right in Indiana !

ALABAMA. The 34 counties heard from return to the popular branch of the Legislature, 47 Whigs and 23 Vanites 15 counties to be heard from. The Globe claims a majority of the Senators, but the United States, and such other, sub. this comes to pass by their having been elected this somes to pass by their having been elected that Indiana had no voice in the relection of a Pre-fast year and holding over, as the Senators do its sident. The North-Western Territory was about to become a State; a Presidential election was gislature, and this number it is believed the Whigs will have when the returns are all in -Alabama is a State that the Whigs never before conciliate if possible the friends of Gen. Harrison. holder, and a peculiarly bigotted devodreamed of claiming. It has always been until Mr. Adams well knew what he was about—he for of slavery on the same ticket with now up to the hub in Jackson Van Burenism. ILLINOIS.

The returns from this State do not come up fully to our anticipations. The Whigs lose nothing, but do not show much gain on the election of last year. Between 50 and 60 counties are heard from, which return 38 Whigs and 59 VanBurenites to the Lenties to be heard from may give gislature. The cou the victory to the Whige. . MISSOURI.

From this State we have a few imperfect returns, asn get along without her & votes.

Elections in this State are held biennially, and nsequently they will not take place this su having elected members of the Legislature last

WHIG FESTIVAL IN BERKELEY .- A meeting of the Whigs of Old Berkeley, held in Martinsburg, on the 10th inst, it was determined to give a Public Festival in that county, on

The Gazette states that the meeting was addressed by Andrew Hunter, Esq., the Elector for this District, and DAVID HOLMES CONRED,

Esq., of that place. -0-THE VAN BUREN FESTIVAL, near this fifteen hundred persons—some of the perly say son; for this great and good man was also aptive thousand. The orators on the occasion were pointed to office by John Adams—us the following the Hon. in Upper Canada, on the fifth day at October, one thousand eight hundred and thirden, capturing the British semy, with their haggage. camp equipage, and artitlery; and that the Pre-sident of the United States be requested to cause two gold medals to be struck, emblematical of this triumph, and presented to General Harrison and Isaac Shelby, late Governor of Kentucky.

"President of the Senate, pro ter

solitary circumstance to excuse him, no respect.

Now, upon which side is the weight of testimoreply to Mr. Smith, the latterigathered up
able man has had the slightest regard for him.

Who is to be believed. James Madison, James his papers and documents in Monre, Col. Johnson, and the whole people of the United States, through their Representatives in Congress—or, "Extra Billy Smith of Colopoper As to the charge of Abolitionism against Gen. he Department." This is the character of the Harrison, it is too contemptible almost for actice. witness brought upon the stand to testify against When we look at the votes of Geo. Harrison in witness brought upon the stand to testify against When we look at the votes of Gen. Harrison in Gen. Harrison—to offset the testimony of the respectable gentlemen on the other side, and to severally states—when we look at his solemnty sable urgency constrained him to leave; it speciable gentlemen on the other side, and to of the slave States—when we look at his solemnty was impossible to hold him. Long, long set aside the history of the country! A worthy given from time to time, and which in a late latter witness, truly!

But Mr. Orator Smith relied chiefly upon the Commons, a Whig Senators. The majority for John Adams, to prove that he was a Federal and two Whig U. S. Senators. The majority in the Legislature. In the 35 counties heard from, embracing the atrong Van Buren holds, Morehead, the Whig candidate for Governor, has a majority of 3081. And the Legislature thus far stands: Whig 62—Van Buren gistaure thus far stands: Whig 62—Van Buren 33. In 1838 the same counties returned 54 Whiges and 41 Vanites—showing a Whig gain part of which the territory of Indiana was form. to conceive how any, man who has any regard for fell upon his devoted head, when his dedivision of the North-Western Territory, from own relatives and friender 10 say that it provides and friender 10 say that

of testimony which must overwhelm the authors of which will be increased to more than 18,000 by accommending ten via the Freshold of testimony which must overwhelm the authors of the North-Western Territory, the charge with confusion and shame. In the mean-tucky, at the last Presidential election, did not dresses had been forwarded to him. Mr. Adams from the Abulitionists themselves. It is from the

Many have supposed that it might be expedient for the Executive Committee to interregate General Harrison, now that he is the recognized candidate for the Presidency, with some prospect of election, to learn his view with respect to was only through the persuasion of his rela- tion of Henry Clay, because he is a slaveholder, and a defender of slavery. Gen. thinks it necessary to interrogate Mr. Van Buren. Why? Recause his prin-

It was the ultra-ism of the laceraists for a strong consolidated government, or quasi monsrehy, and the union of the purse and sword, now so urged by Mr. Van Buren in his Subtrassury and Standing Army, that ruined that they party then, as it will be the death of the loce foce tory party of the loce foce to the loce foce the loce foce to the loce foce the loc ciples are known to be in favor of the ascendency of the Slave Power. But are those of General Harrison any less so? He is the man of his party, and that party have shown the absoluteness of their subserviency, by nominating a slaveof the way of doing him much political injury, nullifying slaveholder, from slavebreeding Virginia, for Speaker.

But we submit, farther, that Gen. Harison's principles are already well known by his deeds of which we find the following summary in the Rochester Free-

In December, 1802, while Governor of the case by reference to the negro testi-Indiana Territory, he was President of a mony. Say no more, (said the convention of the people of that Territoneral; that's enough—the fact of a Negro ry, held at Vincennes, and transmitted deposing against a white man, is of itself to Congresss a memorial of the convention praying that the sixth article of the "Ordinance of '87," which prohibited and the Cadet re-instated." slavery there, might be suspended. (See Am. State papers, 1803.) His efforts to make Indiana a slave State were prosefeelings," and that too, under circumcuted for years while he was Governor of stances of aggravation, when the negro witnesses were the servants of the accu

that Territory In 1819, Feb. 16, Gen. Harrison, as member of the H.of Representatives, voted against a clause prohibiting the further of the case of Lieut. Hooe, which requires my interference."—Richmond Whig. introduction of slavery, in Missouri; and voted against a clause for the further emancipation (at 25) of slaves born within that State. Two days afterwards he voted atilled Democrat when Mr. Jefferson gives him troduction of slavery into Arkansas, and against the future, emancipation of slaves

So basely did he bow to slavery, that even Ohio was shocked. He was indigcer of October 20, 1822, says: "It is ry Bill, for this city. Dr. Penn is now a confirmed to us, that Mr. Gazely is elect. State Senator from the counties of Saline. ed in opposition to Gen. Harrison. A Pettis and Benton-is a man of very friend informs us, which we are sorry to amiable disposition: a good citizen, but a learn, that he was opposed particularly warm politician. As to his peculiar fiton account of his adherence to that prin- ness for this office we are unable to speak ciple of the Constitution which secures as we have never seen him in any other to the people of the South their pre-exist. to the people of the South their pre-existing rights." It seems then, that Gen. the State Legislature. We know of no Harrison claimed for the South the right claims he has to the reputation of an acto fasten slavery upon any soil which the countant. His talents are about medioc

WHO ARE THE FEDERALISTS! Alexander Hamilton .- This colebrated alesman, who has been so lavishly abusd by the Federal Tory papers, as a Mon-echist, Federalist, British Whig, &c. was the original proposer of the Sub-Treasury scheme, which this Federal Administration is now endeavoring to fasten on the country. In 1837, the Secretary of the Treasury recommended the scheme to Congress by the declaration that "it was urgently recommended by this Department as early as 1790." From 1789 1795 Alexander Hamilton was Secreary of the Treasury. He was an admitted Federalist, patriotic man. Does any one want better evidence that the leading measure of this Administration is a Federal measure .- Fayetteville Observer. It was the ultra-ism of the federalists for a consolidated government, or quasi mon

strong consolidated government, or quasi mon-archy, and the union of the purse and sword, now so urged by Mr. Van Buren in his Sub-Treasury and Standing Army, that ruined that tory party then, as it will be the death of the loce foce tory party of to-day.—Ster. NEGRO TESTIMONY ontrast between the "Illustrious Predecessor," and

the "Follower in the Footsteps." Mr. Poindexter introduced a striking stration of the difference between the old Hero and his successor, the par ex-cellence, "Northern man with Southern A Cadet at West Point was a few years

nce dismissed, on negro testimony. An ppeal was taken to Gen. Jackson: Judge Rowan of Ky., presented the papers to the President. He commenced stating he case by reference to the negro testi-Say no more, (said the old General; that's enough—the fact of a Negro deposing against a white man, is of itself. ficient in my estimation, to vitiate the ole proceeding. The decision is reversed and the Cadet re-instaled." How different is this from the conduct

of the "Northern man with Southern feelings," and that too, under circumstances of aggravation, when the negro witnesses were the servants of the accu-

I can find nothing in the proceeding of f the case of Lieut. Hooe, which requires my interference." - Richmond Whig.

What we may expect from the Receivers-Geeral lately appointed by Mr. Van Buren to take harge of the monies of this nation, may be inerred from the following, which we find in the ast Boonville (Missouri) Observer :-

RECEIVER GENERAL APPOINTED. "We learn that Dr. GEORGE PENN, of Saline county, Mo., has been appointed n- Receiver-General under the Sub-Treasury Bill, for this city. Dr. Penn is now a State Senator from the counties of Saline, A Pettis and Benton-is a man of very amiable disposition : a good citizen, but a warm politician. As to his peculiar fitness for this office we are unable to speak, as we have never seen him in any other official capacity, than that of member of the State Legislature. We know of no claims he has to the reputation of an accountant. His talents are about mediocrity; his honesty we have never heard estioned or doubted. The doctor has always been the special friend and supporter of Gov. Miller, and we look at the

From the above, Dr. PENN's neighbors will take it for granted that the Editor of the Republican knows very little about him, that his opinion has been formed tis error in his estimation of the character of tra the than is, however, slogather on the Bu-side of charity. He has the manners of a parvenu with the morality of a catchpoll, fus and his old neighbors of Amberst, Virginia will hear with wonder that their deputy constable has been elevated to the responsible office of Receiver-General. And In Saline he is called "little picayune." Citizens of Arrow Rock can tell the Editor of the Republican bow many scrapes his petulant disposition has brought him into, how many times his nose has been pulled, and how often he has been kicked and cuffed about the streets of Arrow

present appointment as one of Miller's

particular procurement-"-Mo. Republi-

We have understood that he has been engaged in selling goods, in Arrow Rock, for Miller; or perhaps, that he was and liews is a partner in the concern, and it has occurred to us that Miller, who no doubt produrred the appointment for him, in-/ of tends him to be merely a sort of locum ause tenens, meaning to resign his seat in Conrovi gress after a while, and to take charge dian of the office, himself, or become a partner and divide the salary and perquisites. them Upon no other supposition can we form conjecture why, in the appointment, such fin, and others, were passed by. But re think quite likely that the next Conress will blow the whole sub-treasury home sky high .- Boonville Observer.

THE BLESSINGS OF LOW WAGES AND MEAT.-It being stated in debate in th Senate, on the sub-Tressury bill, ratin of the Sub-Treasury hard-money was systm of that Government, could not afpany fore to eat meat, the Hon. Rues, Wiltion Lials, a Van Buren Senator from Maine, undrtook to show that the French laborere got along better without meat .--Thes are his words:

"It true, sir, that a greater portion of the

and their families. We opine that those gentlemen who, themselves "faring numptuously every day," descant so camplated by Master Merriwether occurring on the advantages of low wages and dry bread, would change their note if they were compelled to set the example. They were another they were compelled to set the example. They were arrived with spears, and were they were arrived white new Md. white at 113 cents. Family flour white trimmed with gold, black cap, and estrick plumes. They were arrived with spears, and were compelled to set the example. They were arrived with spears, and were decidedly the lions of the day. Their chief banner had upon it these words, "Train us up in the way we should go." Another had these politicians are insulting to the possible to hear them or read them withpossible to hear them or read them without utter disgust.

Other delegations from a distance followed—
the Junior Whigs of "the unterrified precinct"

## VARRETY.

THE SUB-TERRANEAN BILL. The Locofocos at Providence (R. I.) cofebrated the passage of the sub-Treasury bill by the firing of guns. The following distogue between a Lucofoco and a Whig on the subject is reported in the Journal:

"Mr. -. do you hear them guns?" "Yes," replied the Whig, "I hear them.-What are they for?"
"'My, have you not heard the news?"

"No. I have not. What is it? Dotell as "
"The news arrived in fown to-day that Congress had passed the sub-terranean bill by 17

"Ah !" says the Whig. "is that it?" What is the nature of this important bill, Mr, ...., that sales are malling such a miles about?"

"West Tolky Expelly know what it is my welf, but I have heard a great deal of talk about it for this two or three years past, and they say Congress has passed it, and this is what our party are rejuding about. Don't you know what the

"Yes," replied our friend, the Whig, who also somewhat of a wag, "I can explain it to you if you wish me to. It is a project of Mr Van Buren's which he laid before both Houses at the extra session in 1837 to dig a tunnel under the Atlantic Ocean, so that we can go to Europe by land.", "Ah, that is it; well, I did not know before."

The Heart.—Few people hold close communion with their own hearts. It is a terrible thing to question it continuously offer for sale his very and fall the truth of its ranks. -severely, and tell the truth of its replies

wrung out, till the questioner sees him.

There is far amore of probable and further with and far reaching knowledge than most one are willing to perceive in the Hermannian and generately wicked.

And yet they dare not learn the truthing they fear to know themselves. I share in this fear. Once or twice I have torn the mask away and looked on the naked no evil there. I will not confeas it now. It is not a difficult matter to know there are to know there are to know there are to be not confeas it now. It is not a difficult matter to know there cent. as rent on the capital invested.

The probability of Jefferson, and immediately and far reaching knowledge than most in the county of Jefferson, and immediately and the probable of the probability of Jefferson, and immediately and the probability of Jefferson, and immediately and the probability of Jefferson, and immediately with any probability of Jefferson, and immediately and the probability of Jefferson, and immediately with a cash for likely young the best of a commodition of an abundance of line water, and is admirably adapted for grazing—brackets as the Jefferson having likely, garvants to dispose of, will do well to call on me at my residence in growing farm. Indeed, the location with reference to society, good health, emolument, &c., cannot be surpassed. All things combined to the above, I will guarantee for said farm, &c., for three, four, or five years, six percents a find it to be a serious impediment to my other to my other three in the county of Jefferson, and immediately and probability of Jefferson, and immediately with the county of Jefferson, and immediately and probability with the continuent of the will in the county of Jefferson, and immediately and probability with the continuent of Jefferson, and immediately and probability, with the continuent of Jefferson, and immediately and probability with the continuent of Jefferson, and immediately and probability with the continuent of Jefferson, and immediately and Jefferson, and immediately and Jeffers of our neighbor than ourself, for we do not fear to study him. We read him as an open book, and though we cannot pry closely into every page we can peruso the table of contents, and learn more than we would be willing to tell. Thank God for the restraining influence which In the Circuit Superior Court of Law and Chan he throws around man-for his motions he throws around man-for his motions without and within, to keep, and cherish. Joseph E. Line, MUMINST the spirit of good in the human heart, that it may not wholly die!

THE ARABIAN HORSES.-The Alexandria Gazette says: "The Arabian horses, the presents from the Imaum of Muswere sold at auction in Washington by Mr. Dver, on Tuesday last, They were not fine looking animals. One them was purchased by Major Exton for \$675, and the other sold for \$650.

An elderly young lady in Boston has sued a schoolmaster in that city for a breach of promise. She inferred the contract from the fact that he had taken tea at her house twice a week for ten years.

WHIG PAPER .-Kanawha have established a new paper called the "Parnior," edited by Messra Smith and Sheppard. It is nearly print-called the onducted, and will do yeo-called the group cause.

Consider the settlement of the aforesaid established a new paper tate, since January 1st, 1840, when and and Ohio Rail-Road, designated in specification where, by 10 o'clock A M. on said day, they and Ohio Rail-Road, designated in specification of said road by Nos. 10 and 11, first section, is town, with the necessary statements, vouchers this day, (May 15, 1840.) by mortust consent, and accounts. man service in the good cause.

The Editor of the Vicksburg Whig, remarking upon the fact that whenever the Whize have a celebration or convention they are cheered by the smiles and assisted by the hands of the ladies, very beautifully styles their approval of our efforts, the poetry of politics.

A good name is better than a girdle of gold.

Liver Complaint,

Liver Complaint,

Ten. Years standing, cured by the use of the pills, price 21 and 30 centure per box:

Or. Harlich's Compound Strength—

ening and German Aperient

PILLS. Alea SARAIL BOYER, wife of William Boyer, North Pourth Street above Cangwhin, Poradelphia, entirely cured of the above distressing disease. Her symptoms were, habitual costiveness of the bowels, total loss of appetite, excruciating pain in the side, stomach and back, depression of spirits, extreme debility, can compare with them in popularity. In dyspersia, sick head ache, derangement of the bilisty organs, and obstinate constipation of the bowels, I know of no apprient more prompt or efficacious and I have bash considerable experience in all these complaints.

I would add that their mildress and certainty of action render them a safe and afficient purgative for weakly individuals; and they may be given at all times without apprehension of any of those injuctions consequences which so frequently attend the application of calomel or blue pills. On the whole-I consider our Vegetable Pills an invaluable discovery. Very respectfully.

S. II. HARRIS, M. D. C. Jan. 1, 1857. could not lie on her left side without an aggra-
