If there he a pleasure of learth which superior beingu cannot enjoy, and or which they might almost
envy men the possession, d, it is the power of relieving pain. How consovers, then, is the consciousness of having been the instrument of reacting thousands from wisery to those who possess it. What

It is all of the best quality, and warranted squal to any that can be procured here or elsewhere. That their work will be executed in the most substantial and improved manner, the experience of one of the undersigned for the last several years has given sufficient evidence.—

These who may patronize the establishment, may restausured that the best work was that can be procured will always be employed, and none but the best materials will be used.

In order that the taste of the most fastidious may be gratified, the latest style of Baltimore and Philadelphia LASTS will be procured for lation, have been maised as it were from the rack of lation, have been maised as it were from the rack of

paration.

The following interesting case is presented, and the reader invited to its exclut perusal. Comment on such evidence is unge essary. NI Fr-Youx, July 25, 1544.

cure of an obstinate Congerous Ulcer on my breast. I was attended eightees months by a regular and skilful Physician, assisted by the advice and counsel udge for yourselves. The public may rest assured they will not be disappointed in what is here asserted WM. AVIS & CO.

Sept. 12, 1844.

Any quantity of CORN, to be delivered between this and Christmas, will be taken in exchange for work, to be manufactured immediately, if desired. All kinds of marketable COUNTRY PRODUCE, taken on the same terms, at each prices.

W. A. & CO. aid open and the bones examined, but finding no re-

lief from what had been sone, and feeling that I was rapidly getting worse, I most despaired of secovery and considered my case nearly hopeless.

Seeing various testime lians and certificates of cure ov the use of " SANDS's FARSAPARILLA" in cases similar to my own, I concluded to try a few bottles, several of which were used, but from the long, deep seated character of my Sissese, produced no very decided change; considering this as the only probable cure for my case, I parsevered until the disease was entirely cured. It is now over eleven months since the cure was completed; there is not the slightest appearance of a retuen. I therefore prenunce myself WELL, and the cure entirely with medicing Sanns's Sansapanilla, as I took no other medicing I man using it, nor har WELL, and the cure entirely effected by f any kind during the tone I was using it, nor have THE undersigned respectfully informs his I taken any since. Please excuse this long defer-friends and customers that he continues red acknowledgement, which I think it my duty to

things in reference to the ease.

NANCY J. M.L.E.R., 218 Sullivan street, next door to the Methodist Church.

Baggimone, June 10, 1844. I add to the numerous testimonists of your life preservative Sarsaparilla. I was attacked in the year 1839 with a scorfulous affection on my upper lip. and continuing upward taking hold of my nose and surrounding parts, until the passages for conveying tests from the eyes to the nose were destroyed, which caused an unceasing flow of tears. It also affected my gums, causing a discharge very unpleasant, and my teeth became so loose, that it would not have been a hard task to pull there out with a slight jerk-such Having just received from Baltimore a lot of Super Extra Morocco, GENTLEMEN would first Physicians of the City, but with little benefit.— Morocco is of a quality that cannot be had at all times. Call and examine it!

Ing my thanks to my friends and customers in Smithfield, and would inform them the manufacture of the disease continued gradually to insection. Until my whole body was affected. But thanks to humanity my Physics affected. o well to call and leave their measures. The Every thing I heard of was tried, but all of no sermanity, my Physician recommended your prepara-tion of Sarsuparilla. I precured from your agenless time than three months was restored to health and happiness. Your Sarssparilla atone effected the eure, and with a desire that the afficted may no longer suffer, but use the right medicine and be free from disease, with feelings of joy and gratitude I emain your friend, DANIEL McCONNIKAN.

Any one desirous to know farther particulars will find me at my residence in Front-Breet, where it will afford me pleasure to communicate any thing in relation to this cure.

DANIEL McCONNIKAN. Personally appeared before me the above named Daniel McConnikan, and made oath of the facts con-

tained in the foregoing statement. JOHN CLOUD. Justice of the Peace of the City of Baltimore. For farther particulars and conclusive evidence of

ts superior value and efficacy, see pamphlets, which may be obtained gratis,
Prepared and sold, wholesale and retail, by

THE subscriber would respectfully inform the public generally that he has secured the right of making and rending the above named STOVE in several counties. A model of the Stove can be seen at the Harpers-Ferry Iron Foundry, and in the course of a few weeks I shall have a number of the Stoves on hand. deem it unnecessary to say much concerning this Store in my advertisement, as I have no fears but it will recommend itself to every person that will examine it. I will merely state that it is adapted either for the burning of coal or wood, and that it is so constructed that is case the cooking is required to be done very soon, a portion only of the Stove need be heated—that is when the family is not very large. The price of the large Stove is 433, the small one \$22, complete. Person who may want a

and after trying the Stove if they are not pleased with it, I will take it back. HUGH GILLEECE Harpers-Ferry, August 10, 1843. FULLED & PLAID LINSEYS.
