HAMILTON, Feb. 15, 1840. .Dr. D. Javne-Dear Sir :-- I had not finished the first bottle of your Hair Tonic, before a decided change was manifest over the bald part of the head to which it was applied. You recollect the appearance of my head when in your office. I assure you the hair has been nearly, if not quite, an nch long at the times I have had it cut, on those parts which were nearly destitute of any when you saw me. It was, however, very fine, though

I procured one bottle, and applied its contents according to the directions. When the bottle was exhausted, I discovered to my great surprise and satisfaction, that the young Hair was starting handsomely; I therefore pur-chased another, and soon till I had used three
