Col. Hamtramck is an old and experienced officer being engaged in warious espacities during the late War He serv ed with Gen. Taylor at the time when that officer fleshed his maiden sword, and culted the first laurels that entwine bis brow.

He served under Gen. Taylor (then Major) as a Sergeant, during the War of 1814 in the spring of which year, they were together in an attack on a body of Indians on the North Western frontier In the spring of 1814 the startling news reached St Louis, of the capture of Pra rie du Chien, (a fort on the upper Missis sippi river) and of the repulse of Capt Campbell, who had gone up in a boat, with his Company of United States troops for the relief of the place. This gave the British and Indians command of the up per Mississippi, and fears were entertained for the safety of St Louis. Fort Madi son had been evacuated, Chicago, Greenbay Prarie du Chien, and the whole of the upper country was in possession of the enemy, and nothing then, apparently, could oppose their descent of the river. and the fall of St Louis.

But under the gallant and intrepid Tay lor an attack was made on the fee and a complete tout of the Indians effected which tended to the disbandment of their forces as was afterwards learned by Col Hamtsamck, many years subsequently, in a conversation wi h Keocock, the head chief now of the Sauke tribe.
