WHAT MAKES THE MAS!

What makes the man? And is it birth Or reyal pedigree?
The man is made by moral worth Though bred in poverty.

Or is it worth that makes the man, Or coffers filled with gold ! Answer the question if you can. Can worth be bought and sold?

And is it dress that makes the man, Or voin is flated pride ? Give us the snawer if you can, And let us now decide.

Or is it learning's brilliant show, Ah, this may be the meteor's glow, Bright shining for an hour.

Then tell us not of wealth and birth, As if those made the man, For he is made of better earth-Of high and moral worth.
