## POETRY.

HAPPY MOTHER'S SONG.

Look at me, me prelty ber. With the golden ringlets flowing : Bright blife ever, and cheeks all glowing ; Was there ever such a one? No. I'm sure there can be none.

Look at me, my sweetest boy, Sweet as dew the leaves adorning ; Was there ever such a one No, I'm sure there can be boile. Look at me, my kindly boy.

Nor too forward, nor too fearful,
Ever kind and ever cheerful;

Was,there ever such a one

No, I'm sure there can be hone.

Look at me, my darling boy, No tad naughty shild sould ever Be so loved and lavely—never; But, good folks, you can't bave mine. Should a merchant come to her.
Let him ope his gahlen collect.
Would I take his richest offers!

# RIVER IMPROVEMENT.

Never-buy whereo'er he can, He should not get my pretty man.

THE SHENANDOAR IMPROVEMENT.

To the Editor of the Alexandria Gerette : In my last I stated the amount of revenib and hadies present, sit down to a sumptuous and the probable amount of dividende. I have made some calculations of the cost of toll and

suring all that may pay us a visit, a warm and will be 3 cents per lon per mile, upon whest 5066 feet, is 156 65-100 feet. The whole discordial reception, and a hearty Virginia wel- and corn 3 cents per ton per mile, and open tance of the contemplated improvement, includeats 34 cents per tun per mile-a ton of flour ing the Dan and Staunten rivers, is 171 miles, The Dinner will be free to brethfon of other to be ten barrels, a ton of wheat 37 buskels, a 2635 feet, and the fall 354 58-100 feet, average ton of corn do bushels; and of oats 64 bushels.

As the Great Council of Virginia will be in Then the total cost of toll and freight from Port Shenandon from Port Republic to Harpers.

Then the total cost of toll and freight from Port Shenandon from Port Republic to Harpers. session at the time, it will take part in the core. Rapublia to Harpers Ferry, 150 miles, will be Ferry, a distance of 1494 miles, is 803 83 100 as follows; viz: flour 45 cents per barrel, wheat feet, or an average of 5 40-100 per mile. If the concluded to give to the world. John P. Bentley, L. T. Moore, 12 1 6 cents per bushel, corn 11i cents per system of sluicing is not admissible upon a riv-

Committee. Freight and tell from Port Republic to Aletandria. Flour per bbl. Wheat per bushel Corn per bushel Oats per bushel Salt per bushel Coal per ton, descending Iron per ton, do Plaister per ten, ascending A boat will be six days in passing from Port Republic to Harpers Ferry, at the rate of 21

miles an hour, and 10 hours per day, the boat only running in the day and lying by at night, being worked by setting poles; and the same time will be occupied en her return trip. I time upon her return trip; the boat lying by at night. A passenger or freight steam boat will run

the correctness of the tolls and freight that ! have assumed in my statements, I will now give a statement of the tells and freight upon a few articles upon the Pennsylvania canal and upon he Ohio canal. Toll and freight tipon the Petitisylbanta Canal.

Toll per ton per m. toll & fe't per ton per m cts. m. Wheat, Merchandize, 2 4 Manufactures 1 8

Toll and freight upon the Ohio Canal, from Ports- rillas. mouth to Cleveland. Toli fer t per m. fi't do. toll & fr't do 6. Merchandite, 2 2 Manufactures, 1 3-7 You will see by the above that the tells upon flour; wheat, corn, salt and eats, is I cont per ton per mile, or a fraction less. The freight

MEETING of the Stockholders in the New Shenandosh Company will be held now wheat 2 cents per ten per mile; White thouse. A long nap, that. corn 2 cents 2 mills per ton; salt 1 cent 4 mills. and oats 2 cents 9 mille! making the toll and ticle requiring 64 bushels to make a ton. You will also notice that the charge upon merchandize for toll is only i traction under 21 cents per ton; so, in assuming an average tell of 2 justified by the nature of the improvement or the wants of the country, and jet with this toll

a dividend may be certainly calculated upon of that to be \$1,000,000. of slackwater with sluice navigation upon the Shensndoah river, and as I think that system slackwater by dams, canals, and locks, I will here introduce an extract from the very able report of John Conty, C. E. upon the survey of the Reanoke, Dan, and Staunten Rivers, made When constant exercise cannot be used from in 183", taken from page 15 of the twenty-sec-VEGETABLE PILLS; is absolutely required. principal engineer upon the Rappaliannock riv-Thus the conduits of the BLOOD, the fountain of er improvement, and has been connected with

from becoming mixed with it. It is nature navigation, to be entirely unsuitable for steam. I'd been a year or two younger, he miles he became very much fatigued, and which is thus assisted through the means and without the certainty of the improvement ever being carried into effect, the works being liable has, for the last four years, edited the

> costly and extensive improvement than the one proposed, but it is questionable if a more beneficial one could be effected, the advantages to offered him, sufficient inducement for both sides being co-equal; and successfully to him to accept it .- Rich. Whig. establish a steamboat navigation by means of sluices, available at all sessors, would be an extremely difficult matter, in consequence of the river not being capable of furnishing a sufficient quantity of water during its low stages. The expense, during a few years, of the additional quantity of steam, would equal the differente between the two modes, and it would in dow Times, is dead!

STOVES, STOVES. WHOLESALE AND RETAIL

THE subscriber most respectfully informs the public, that he keeps constantly on hand, a general assortment of Parlor and Cooking Stoves,

of the most approved patterns. He is now manufacturing and receiving a splendid assortment of Air-tight Stoves, for parlors and chambers. He has recently obtained a Patent for a Ventilating Air-light Stove, which keeps up a constant circulation of air in the room, and when the Stove drawn in Baltimore, Wednesday, September is closed up, the ventilator is opened at the same | 15th, 1847. 75 Numbers ; 12 Ballots. time, and the close, oppressive air passes off through the ventilator, and the same pleasant, healthy heat is produced as from a fire place er open Stove. He is sole agent for Pierce's American Air-tight Cook Stove, the best offered in this market. There are five sizes for coal or wood. House keepers and farmers should by all means examine this superior Cooking Stove. There is a great saving of tuel, and the oven possesses an advantage over almost any other kind of Stove new in use. It is very large, and the top being fire-brick, the moisture is absorbed during baking, and combines the advantages both of a Brick oven and a Cock Stovs. He keeps, also, Air-tight Cooking Rangers, and a superior assertment of Grates for fire-places - Certificate of a package of wholes, 130 dolls

#### VARIETY.

An old coat's advantages are numerous: the most liberal terms, both as to price and the People will not think it worth while to time of payment. For further particulars, eipick your pockets; the ladies will not ther apply to the subscriber (personally) on the which makes the inducement for those who bother you with their insatiate love; and you will not be teased to take tea with your acquaintances.

'Where did you come from?' said Wilkes to a begger in the Isle of Wight. From the Devil."

"What is going on there?" 'Much the same as bere' "What's that?"

'The mich taken in and the poor kept

A hard shelled minister observed in a late sermon, that no one ever got religion Log Dwelling House, with cellars, and a good log barn with stabling for eight horsen. Also, cornin a great bustle! Think of this, ye house, wagon-shed, carriage-house, ice-house BURTER-ing ladies.

Pete Barmocks, come up and say your lesson.

Yes, sir. What made Eve eat the forbidden Becoz, she was telled that she didn't the fields have gates well fixed.

Row do you know that made her eat Becoz when our Judy was forbid to speak to the fellers, she went up and sot right down in John Diddle's lap.

A spruce looking heutenant, under the ten regiment bill, asking a friend what he would be taken for without his epaulettes,

Very Uncertain - Boy, who do you be long to?' asked a gentleman the other day as he stepped on board of a steamboat and saw a darkey listlessly leaning. on the guards. 'I did b'long to Massa William, sir, when I came aboard, but he's been in the cabin playin' poker wid de captain 'bove an hour; I don't know who I b'long to now.'

New Fact in History .- An Ohio editor says he knew Shakespeare when he lived to Pennsylvania, and that his name was not Shakespeste, but Wm. Speare-that he afterwards moved into the State of growing and yielding, upon the e-Michigan, caught the lever and ague, and state, besides every variety of Ornawas afterwards nick-named Shake-Speare. | mental Tree growing in the yard.

.Were you ever in the mesmeric state?' said a believer in the science to a fiat ever occurred, arising from its local situation. boat Hoosier.

'I never was, stranger,' said the Hoosier. 'I hail from the State of Indiany myself, but I have lived six years in the lowa Territory.'

'I must tax you five dollars, for advice given at sundry times,' said a village doctor to one of the canal gentlemen. 'Not a bit of it, honey,' was the prompt anawer, 'for it is not every one who can get speculation, to any disposed to engage in such his advice taken at all, at all-and so you have the face to at me a guinea for obleeg-

'Doctor, can you eat that bot oyster soup with impunity?' 'No. Joe; I always eat it with a spoon.

Why are all ladies thieves? Because they hook each other's frocks.

'I shall be back again in a minute,' as the emetic said to the doctor.

'I'm behind the time,' as the mouse said when he ran back of the clock. A Western girl, after giving her lover a

hearty smack, exclaimed, 'Dog my cat if you hain't taken a little rye, old hoss. 'Mr. Timms,' said a wag, 'how do you'

keep your books?' Oh, by double entry.' Double entry, how's that?' Oh, easy e nough. I make one entry and father makes another.' A Newburyport deacon, upon re-

turning from meeting one Sunday, per ceived that his boys had been making and drinking egg nog; after lecturing them upon the impropriety of doing such things at any time, particularly Sabbath ony left, John

'You are writing my hill on very rough paper, said a client to his attorney. 'Never mind,' replied the lawyer, " has to be filed before it comes to court."

Why is a braggart like a steamboat? -Because be's a vaporer .- N. O. Della. No-because he often burets his boiler. and no one is to blame but himself.

They are obliged to practice all sorts of economy in New York. A paper there says - We saw a shrewd Yankee- the Winchester and Potomac Rail Road, five looking boy passing our office this morn- miles north of Berryville, offers it at private ing, when the rain rained fastest holding scale. The farm contains about an umb ella ovet his hoad, and a pitcher under the edge of it to save the water ?" l'ifly of which are in good timber. A detailed

Curious Circum-tance .- A short time ! since while a little child of a gentleman desired. in this place was playing in the vard, says the Old Colony Record it was suddenly attacked by a large tooster, and severely end to the sale of the above property.
P. McCORMICK. injured. The rooster struck it in the head with his sputs, cutting through it's theek and making other deep gathes on it's face; it also picked the child's head and breast, and would probably have billed it if the father had not fortunately happened to come into the gard in time to reccue it. The rouster was in mediate.
