MR. VAN BUREN'S LETTER, Addressed to the New York Barnburners.

The letter of Ex-President Van Buren to the Utica Convention, which has put him in nomi- panied by partizan measures, or founded on ponation for the Presidency, as the Free Soil candidate, occupies more than two columns of the or have a ason to believe. New York Post. He commences by referring to York democracy after his defeat in 1860, and to momination of any sound democrat, who had not actually submitted to a test which implicated the the announcement be made in 1814, after the nomination of Mr. Polk, to retire forever from publie life. This determination he still strongly adheres to. He next proceeds to review the action of the late Baltimore Convention in regard to the | taking this ground, you pursued the only course by which the democratic party of the Union, as New York delegates; approves the course pursued by the Paruburners, and comes to the fol-

"I cannot under such execumstances refrain will, when the present excitement has passed afrom concurring with you in the opinion that I the decisions of that Convention are in no degree! binding upon the democracy of this State, or entitled to any other weight in their estimation, than as an expression of the wishes and opinions of respectable pertions of their political associates and friends in other States, qualified as their expression is, by the acts by which it has been ac-

He then proceeds to give this views in regard ing "that, from 1787, the date of the ordinance for the prerenties of slavery in the North Western Territory, down to and including 1838, at least eleven acts of Congress have been passed, organizing territories which have since become I States, in all of which the constitutional power of Congress to interdict the introduction of slavery, by the best of all tests—the dignity and moderais other directly exercised, or clearly asserted by coactments, which, as matters of authority, are tantamount to its exercise; and that at the only period when the reace of the slaveholding States was supposed to be seriously endangered by abolition agitation, there was a spontaneous uprising of the people of the north of both parties, by which this you are disappointed, it will still be a consoagitation was paralyzed and the south re-assured of our fidelity to the compromise of the Constitution," he proceeds:

"The docrrine which the late Baltimore Convention has presented for the sanction of the nation, is, in substance, that the laws I have referred to were but so many violations of the constitation—that this instrument confers no power on Congress to exclude slavery from the territories, as has so often been done with the assent of all. tinction because he avowed that opinion, and who it is equally certain would not have received it, doctrine the most solemn sanction known to our secure the election of Gen. Taylor. Having political system, by the election of its declared spoken in Newark on the 19th, in Brooklyn on sisters were present, when she fell but receives the proposed santion of the people of the United States, the result cannot be doubtful.— necticut. Gen. Combs, in the course of his

states, and every acquisition of territory that may hereafter be made by he United States, whether obtained by annexation, by cession for a valuable consideration, or by conquest, must, as long as this opinion is held, and as far as the National Legislature is concerned, be subject to the inroads of singlety. And this consequence is to be submitted to on the assumption that the framers of the Constitution, with their attention directed to the subject, and with a well understood desire to the property of the subject, and with a well understood desire to the interval was attended on the age. SALMAGUNDI.

nents, in the excess of their zeal against en-Methodists, and a whole wagon load of A.M. with any evidence, papers and statements connected with the case, they may think proper gistrate. When they were asked what these persons had done, there was an awkward silence; at last, one of the accusers said :- " Why, they pretended to be better than other people; and basides they prayed from morning till night." The magistrate asked if they had done anything else. "Yes, Sir," said the old man, "an't please your worship, they convarted my wife. Till she went among them, she had such a tongue ! and now she is as quiet as a lamb." "Carry them be to a lamb." "Carry them be to a house, his first inquiry was, "How many children have you?" The good widow replied, "My children are all in the graveyard."-She was instantly rented the house; but it turned out that she had nine children !
